

Session Program

5-9 Oct 2026

FAIRS Japan 2026: Future of Artificial Intelligence for Science in Japan

Scientific Challenges

Nagoya University

Monday 5 October

09:20

Scientific Challenges

Session | **Location:** Nagoya University

09:20–10:00

Challenges in Astrophysics and Cosmology

10:00–10:40

Challenges in Neutrino Physics

10:40

11:00

Scientific Challenges

Session | **Location:** Nagoya University

11:00–11:40

Challenges in Collider Physics

11:40–12:20

Challenges in Accelerator physics

12:20

13:50

Scientific Challenges

Session | **Location:** Nagoya University

13:50–14:30

AI Research in Astro/Cosmology in Japan

14:30–15:10

AI Research in Neutrinos in Japan

15:10

15:30

Scientific Challenges

Session | **Location:** Nagoya University

15:30–16:10

AI Research in Accelerators in Japan

16:10–16:50

AI Research in Collider Physics in Japan

16:50

Wednesday 7 October

13:30
14:30

Scientific Challenges
Session | **Location:** Nagoya University
